

Details of samples collected in New OPD sample collection area, PGIMER, Chandigarh

(Information for patients)

The following information pertains to the various tests for which samples are currently being collected in New OPD sample collection area. In case, any report is not available online after the stipulated time (as mentioned in column 7), patients are advised to contact the respective laboratory as per the information given below.

One can locate a particular test using tariff code or department name (as mentioned in your payment receipt; told at the time of sample collection).

Test name (in alphabetical order)	Tariff Code	Hospital charges	Prerequisites for sample collection (fasting, temperature, transport to lab etc)	Reports available online (yes/no)	If reports NOT available online, the lab no. and address for report collection	Number of days after which report will be available online/offline	Phone No. of lab for any queries (after 3 pm)
